April 2022

Greetings from your pastor and partner in ministry!!

What an interesting time to serve in the churches of Superior! For years, many have expressed concern that there are too many ELCA congregations to serve such a small population. Of course, each congregation serves a unique community within the larger community of Superior so the congregations have learned to co-exist. But dwindling resources and participation had added urgency to discussions concerning collaboration and/or consolidation. The strains of the pandemic only heightened the urgency. Three of the five pastors either transitioned to retirement or new calls elsewhere thus creating leadership vacancies. Gracefully one of the vacancies was filled with an interim pastor but the other two vacancies remained unfilled. I reached out to synod and offered my help in whatever way needed. After several discussions, I've taken on the role of administrative interim pastor for Zion Lutheran for the next three months. My responsibilities include arranging supply pastors for Sunday worship and being available for visitations and funerals. Also, I will lead a first communion class and meet with the confirmation kids to ensure they are confirmed in May. At the end of the three months, I will transition into a supervisor role for an intern pastor who will then serve them for a year. This leaves both Pilgrim and Zion with solid leadership for the foreseeable future. The leadership of Bethel remains in uncertainty so we will continue to pray for them.

Otherwise, we have a full month of ministry in store for us. We will celebrate a post-pandemic Easter with eased restrictions. But not before we gather with our neighbors at Concordia and Pilgrim for joint Maundy Thursday and Good Friday services. We will worship here for the Maundy Thursday service and at Pilgrim for the Good Friday service, both at 6:30 p.m. We will welcome one of our students, Darren Porter, to receive his first communion at the Maundy Thursday service. You won't want to miss any of the Holy Week services! Also, be sure to plan on joining us for bingo at Pilgrim Lutheran on the 28th from 6:00-8:00 p.m. as a benefit for the conflict in Ukraine. See the flyer later in this newsletter for more details.

God continues to bless us with fruitful ministry. Let us be particularly grateful this Easter season. Thanks be to God!

Easter blessings,

Pastor Koos

Lent Sermon Series

The last of the Lent sermon series will be on April 6th at 6:30 p.m. at Our Savior's Lutheran Church. Come and reflect on the last of Jesus' "I Am" statements - I am the resurrection and the life. (John 11:17-27)

From our Congregation President

Spring is all around us with the melting snow, warmer weather, birds returning, the feel of the warm sun on our faces and Lent. We are trying to return to a more normal church service as we slowly make changes back to pre-covid times. We hope to begin doing **communion** with safety precautions in place. We will also continue with the individual communion cups for those that don't feel comfortable yet or maybe immune compromised.

We are now taking orders for **flowers** to decorate the church for Easter.

There are now more opportunities for you to get involved in the church. The **Pastoral Partners** are out doing visits, the **Prayer Chain** is back, and the **Sunshine Group** (with a different focus) will begin this summer. If you want to be a part of any of these groups let the office know and they will get you setup.

Happy to say that the **new boilers** have made a difference in what we paid in heating cost this winter. Checkout the trustees report for those savings. The Trustees have made a list of things that need to be **done, fixed, replaced, etc.** in the building and on the property. They are prioritizing that list because they only have funds to complete some of them. When they post the list, please consider **helping out** with any of those projects you can.

The **Rummage Sale** will be Saturday May 7th. Assistance will be needed to setup, work the sale, and pack up. In the past we have had a great group of volunteers, but can always use more.

Getting involved in projects is a great way to be a part of your church and get to know others, besides, it is **fun!!** Please consider helping out.

In Christ,

Kandee Rosburg

Boiler Project Update

After a successful fund-raising campaign, raising \$55,649. The new boilers have increased reliability, improved temperature control and increased energy efficiency. The new boilers have reduced gas usage by 25%, thus saving approximately \$2,000 to \$2,500 per year in utility expenses. Stop down to the boiler room and see our new boilers. Thank you for your support!

Rummage Sale will be May 7th, 2022

Time to start thinking about the rummage sale and your spring cleaning.

Donate those items to the church and get rid of them now. Put items downstairs in the unfinished addition, behind the blue tarps. We ask that you please do the following:

- Put items in a box for easier stacking.
- No clothing
- We only want things that work. This includes microwaves.

Don't give us things that we would have to **PAY** to get rid of. That includes microwaves, computers, computer printers, etc. The only exception is if you put your name of it and take it back if it doesn't sell to dispose of.

- If any of your items have an operator's *instruction book* please include if you have.

Happy cleaning!!

Dear OSLC Members,

We are sending you some great information about Scrip cards and how to use them. Here are some questions we are often asked.

How do Scrip cards work? You purchase a Scrip card through Carol Scamser and pay by check to OSLC. Her phone number is 715-781-0753. The cards can be used to purchase everyday items such as gas, groceries, pharmacy items, and at restaurants.

Where can I use them? Some local examples are; Kwik Trip, Holiday Gas, Walmart, Superior Meats, Wagreens, CVS, Menards, Home Depot, Arbees, Applebees, and Dominos.

How does this benefit OSLC? When you purchase these cards, a percentage of the purchase price is immediately given to the church. Each business has their own percentages listed. This helps the church with additional revenue.

How does this benefit me? Purchasing Scrip cards helps you give additional funds to OSLC while purchasing your everyday items without it costing you anything extra. (It also can help with planning and budgeting!) After each purchase the receipt you get shows the remaining balance of the card.

How does this benefit the community? When you use a Scrip card, the retailer gets cash up front and gets repeat business.

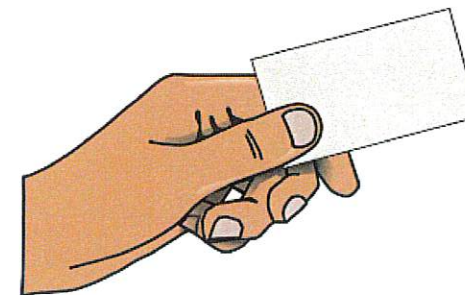

Some cards can be reloaded at any time by getting a check to Carol Scamser and keeping the same card. Kwik Trip, CVS, and Walmart are a few like this.

If you are ordering a new card, it must be done by the third Sunday of the month.

Watch your e-mails for monthly updates and Sneak Peaks about additional specials! Look on the back table for a couple of examples of how beneficial these cards can be for OSLC. Watch the announcements that come out every week for the amount realized from Scrip cards for the church.

Sincerely,

OSLC Stewardship Committee

Dear OSLC members and friends,

Our Shoe Drive was very successful!!! Thank you to everyone who helped and contributed!!

Our shoes were packed up on Saturday, Feb. 26. We donated 62 bags, so over 1500 pairs of shoes were loaded onto the truck. They are on their way to Chicago and then to Florida. They will most likely be shipped to Haiti to small family micro-entrepreneurs to help them support their families. We especially **want to thank** the following, Walmart for donating 144 pair of new shoes. Sam Willie and Gretchen Clark, for their help during two drop-off days by collecting and bagging shoes. Laura Liebaert for getting the word out by setting up on-line information and updates. Our donations came from near and far, young and old, family and friends, members and non-members and those who saw our signs and on-line information. We are full of gratitude for everyone's suppo... **"We are all being good stewards when we share God's love and grace with others by giving".**
